Article B – Card Acceptance Services

The following provisions apply to both Card Present Transactions and Card Not Present Transactions, unless otherwise specified.

2. Authorization.

- a. Merchant shall comply with any authorization procedures, included pre- and post-authorization procedures, set out in this Agreement, in the User Documentation and the Card Association Rules, and as the Servicers may otherwise direct from time to time.
 - b. Merchant acknowledges that Authorization: (i) indicates only the availability of credit at the time of Authorization; (ii) does not warrant that the person presenting the Card is the rightful Cardholder; and (iii) is not an unconditional promise or guarantee by Servicers that any Transaction will not be subject to Chargeback.
 - c. Servicers shall have no obligation to process any Transactions initiated with a Card type not selected by Merchant in the Application and Servicers shall be entitled to decline such Transactions without first attempting to obtain an Authorization. In the event any such Transaction is inadvertently not declined by Servicers and is authorized by a Card issuer or Card Association, Merchant shall be fully liable for each Transaction, as if the Card type was selected by Merchant in the Application.
3. Merchant agrees to accept all valid and unexpired Cards presented by Merchant’s customers for payment, and to honour any Card presented regardless of type of Card or Card Association.
4. Merchant shall process all of its Transactions exclusively through the Servicers hereunder and shall not, directly or indirectly, process any Transactions through any third party.
5. Merchant is permitted to provide (i) discounts to customers for cash purchases or (ii) differential discounts to Cardholders among different Card Associations, to the extent permitted by the Card Associations.
6. If in your Application you have elected to accept credit Cards from a particular Card Association, you are not required to accept debit Cards from that same Card Association, and vice-versa. For Card Present Transactions this applies to mobile-based payments as well as card-based payments.
7. In respect of Card Present Transactions, if in your Application you consented to accept Contactless Transactions (whether card-based or mobile-based), you may cancel that acceptance at any time without penalty by giving us written notice. Cancellation will take effect once we confirm receipt of that notice. If Fees in respect of mobile-based Contactless Transactions increase relative to Fees in respect of card-based Contactless Transactions, you may cancel your acceptance of mobile-based Contactless Transactions without penalty by giving the Servicers 30 days’ written notice while maintaining all other terms of this Agreement, including without disabling your acceptance of card-based Contactless Transactions. Cancellation of your mobile-based Contactless Transactions will take effect once we confirm receipt of your cancellation notice.
8. Merchant is not permitted to do any of the following:
- a. charge Cardholders a fee or surcharge for accepting Cards unless permitted by the Card Brand rules;
 - b. require a Transaction minimum value for accepting Cards;
 - c. mislead any Cardholder into believing that his or her Transaction is being processed on one Card when it is actually being processed on another Card;
 - d. use the Services for illegal purposes, or to interfere with or disrupt other users of the Services; or
 - e. use any Card other than for the sole purpose of completing a bona fide Transaction.

9. Merchant shall submit Transaction Records to Servicers no later than the next business day immediately following the day that Transactions are originated, in the manner indicated in the User Documentation or as otherwise directed by Servicers.
10. Merchant is not permitted to submit a Transaction:
- a. prior to the term or following termination of this Agreement;
 - b. while Merchant is in breach of this Agreement;
 - c. while the Merchant or any of its affiliates or directors, officers, employees, agents or representatives are listed on the Member Alert To Control High-Risk merchants list of Mastercard (the Match List) in Canada or the United States;
 - d. if Merchant has previously sent the same Transaction to another acquiring bank;
 - e. that has failed address verification;
 - f. that is already subject to a partial refund under this Agreement or otherwise;
 - g. that is known or suspected to be fraudulent or unacceptable by the Servicers regardless of whether Merchant has been given notice of such Transactions by the Servicers or is submitted by any business other than Merchant, as authorized by this Agreement;
 - h. for the purchase of products or services that are illegal in Canada or the United States;
 - i. for a customer who is a shareholder, director, officer, employee, agent or representative of Merchant or any of its affiliates;
 - j. that was made in connection with an e-wallet, virtual cash or other payment aggregation service;
 - k. for a good or service that is being sold for a price other than the posted price.
11. In respect of each Transaction, Merchant represents and warrants to the Servicers that:
- a. it represents a legitimate sale of goods or services by Merchant to a Cardholder in the ordinary course of Merchant’s business;
 - b. it was not previously submitted under this Agreement;
 - c. it represents an obligation of the cardholder for the amount of the Transaction,
 - d. the amount of the Transaction is only for the goods or services sold including applicable taxes;
 - e. the amount charged for the Transaction is not subject to any dispute, setoff or counterclaim;

 - g. it was made in accordance with, and complies with the terms of, this Agreement, the User Documentation, the Rules and applicable law.
12. **Settlement.**
- a. The Servicers will settle with you by crediting your Settlement Account with an amount equal to the total of your sales Transactions less your returns and refund Transactions and Chargebacks. The Servicers’ standard funding schedule is daily, weekly or one week in arrears, following settlement batch close of the Merchant’s terminal. An alternative funding schedule may be imposed at Servicers’ discretion, based on a number of credit and risk considerations. Servicers will give Merchant reasonable advanced notice of any such change in funding schedule. All credits to the Settlement Account or other payments to Merchant are subject to final audit by the Servicers and the Servicers have a right to debit or credit the Settlement Account to correct any errors.
 - b. The transfer of settlement funds is normally conducted by electronic funds transfer (EFT) to your Settlement Account. Due to the nature of EFT, the electronic networks utilized for the movement of funds, and the fact that not all financial institutions belong to the EFT network, payment to Merchant may be delayed. Servicers will not be liable for any delays in transfer of settlement funds or errors in debit and credit entries caused by third parties.
 - c. Servicers reserve the right to divert and hold all settlement funds when Servicers are investigating any breach of this Agreement by Merchant or have reasonable cause to believe that Merchant may have violated a provision of this Agreement, the User Documentation or the Rules, or is engaged in illegal or fraudulent activity, or has

excessive Chargebacks. Servicers' right to withhold settlement funds as set forth in this Section and as may be set forth elsewhere in this Agreement survives termination hereof.

- d. The Servicers may be required to transfer settlement funds to your Settlement Account by bank wire transfer for reasons beyond the control of Servicers, in which case Merchant will be assessed a wire transfer fee for each such transfer.

13. Merchants Bank Accounts.

- a. Merchant shall maintain the Settlement Account and the Service Account and is solely responsible for all fees, costs and expenses incurred in connection with the Settlement Account and Service Account. Merchant may not change its Settlement Account or Service Account without the prior written consent of the Servicers. The Servicers may charge the Account Change Fee listed on the Fee Schedule for considering the Merchant's request.
- b. Merchant authorizes PSiGate to debit the Settlement Account in accordance with the Settlement Account PAD Agreement for the Card Fees, any Chargebacks, any returns and refunds, erroneous deposits therein, and any other amounts assessed by the Card Association that the Servicers are permitted to pass through to you pursuant to this Agreement and any other liabilities of Merchant to Servicers hereunder. Merchant agrees to work with PSiGate to help resolve any problems in crediting/debiting the Settlement Account.
- c. Merchant authorizes PSiGate to debit the Service Account in accordance with the Service Account PAD Agreement for the Other Fees. Merchant agrees to work with PSiGate to help resolve any problems in crediting/debiting the Service Account.
- d. Servicers may elect to invoice you for any Fees or other amounts payable by you under this Agreement rather than debit your Settlement Account or Service Account. If you receive an invoice from the Servicers, any amounts due shall be payable within 30 calendar days of the date of such invoice, or on such earlier date as may be specified on the invoice, in the manner specified on the invoice.
- e. If an invoice remains unpaid 30 days after the due date, or if your payment is dishonoured (returned NSF or rejected), the Services may be suspended and you will be liable for a reconnection fee (pursuant to the Fee Schedule). Suspension of Services shall not relieve you of your obligation to pay any and all past due Fees. You will also be responsible for any collection or legal costs incurred by Servicers to collect any overdue or dishonoured payment. Suspended Services may be resumed upon receipt of full payment of all amounts due plus the reconnection fee.

14. Fraud, Collection Risk and Taxes. Merchant will bear all risk (including, without limitation, collection risk in respect of card fraud and any other type of credit fraud or Merchant disputes including Chargebacks) with respect to sales of its products or services and will bear all responsibility and liability for the proper payment of all taxes which may be levied or assessed (including, without limitation, sales taxes) in respect of sales of its products or services. The terms of this Section shall survive termination of this Agreement.

15. Merchant Responsibility to Cardholder. Merchant is responsible for ensuring that the Cardholder understands that the Merchant is responsible for the Transaction, including for the performance of the terms and conditions of the Transaction and for providing customer service in relation to the Transaction, including dispute resolution. Merchant must inform Cardholders prominently and unequivocally of the identity of the Merchant at all points of interaction.

16. Transaction Records. You shall keep all Transaction Records for two years, even if such time period expires following the termination of this Agreement, or longer if required by applicable law. You shall provide PSiGate with copies of Transaction Records upon request. The terms set forth in this Section 16 shall survive termination of this Agreement.

17. Chargebacks & Card Association Compliance.

- a. The Servicers, Visa, Mastercard and the issuing banks of the Card Associations all have the right to chargeback any credit or debit Transaction processed through the Services to the extent that such Transaction is presented or processed in violation of the applicable Rules, this Agreement or where the Cardholder disputes the Transaction pursuant to the applicable Rules. Merchant shall be

responsible for any such Chargebacks and PSiGate is authorized to deduct Chargeback amounts from your Settlement Account in accordance with this Agreement. In the event of an overdraft in the Settlement Account or Service Account for any reason, Merchant shall immediately deposit an amount sufficient to cover any overdraft and any related service charges or fees.

- b. You are ultimately responsible for the Transactions you process. The Card Associations may impose fees, fines or penalties if your Chargeback volume or the number of Transactions you process on fraudulent or counterfeit Cards is excessive. You agree that you are responsible to reimburse the Servicers for the amount of all fees, fines or penalties levied as a result of these Transactions. You will cooperate with the Servicers to determine why your Chargeback volume or the number of Transactions processed on fraudulent or counterfeit Cards is excessive and to implement measures to reduce the volume. The Servicers may terminate access to the Services if the Chargeback volume or the number of Transactions processed on fraudulent or counterfeit Cards is excessive and/or exceeds Card Associations' accepted levels.
- c. The parties agree to cooperate in the appeal of any non-compliance notices received from the Card Associations, including any notice claiming breach of the Rules by provision of the Services ("**Non-Compliance Claim**"). In the event that a Servicer receives a Non-Compliance Claim, the Servicer shall promptly give written notice to the Merchant and the parties shall meet to discuss the Non-Compliance Claim and work together to settle the matter. Notwithstanding the foregoing, the final resolution or disposition of any Non-Compliance Claim as between the Servicers and the Merchant shall be at the sole and absolute discretion of the Servicers.
- d. The Merchant is responsible for, and shall pay to the Servicers on demand, any fees, fines or penalties imposed upon the Servicers by a Card Association with respect to, or resulting from, the acts or omissions of the Merchant.

18. Gateway Services. If Merchant has requested one or more Gateway Services from PSiGate, the provisions of Article D of this Agreement shall apply to such services. If Merchant has not requested any Gateway Services from PSiGate but is authorized to accept and process Card Not Present Transactions through a third party payment gateway, Merchant must inform Servicers of such third party payment gateway, any processing software, shopping cart, Web Site host, or other service provider (collectively "**Third Party Gateway Service Providers**"). Any third party payment gateway must be approved by Servicers and Merchant is prohibited from transmitting any Cardholder Data to any Third Party Gateway Service Providers (or any third party) without the approval of Servicers. If Merchant accepts Card Not Present Transactions without such approval, Servicers may, in addition to any other rights they may have under this Agreement, establish a Chargeback reserve account to protect them from risk of loss.

19. Debit Transactions. In respect of all debit Transactions, Merchant agrees as follows:

- a. to provide to PSiGate the information required to complete PSiGate's security compliance certification program, as required by the Interac Association; and

- a. Any transaction on a Visa debit Card by a Merchant that has elected to not accept Visa debit Cards or where the Cardholder has elected to not carry out a Visa debit Card transaction, shall be deemed an improper use of the Services and shall not be a Transaction for the purposes of this Agreement; and
- b. Foreign Visa debit Card Transactions are handled in the same manner as domestic Visa debit Card Transactions whether they be PIN or swipe.

21. Additional Terms. Additional terms that apply specifically to Card Present Transactions and Card Not Present Transactions are set out in the Attachments to this Agreement as follows:

 - it has only one web storefront.
45. **Fees.** In exchange for the Services, Merchant promises to pay Servicers the Card Fees and the Other Fees. Merchant agrees that the Card Fees will be debited from the Settlement Account and the Other Fees will be debited from the Service Account in accordance with Section 13 of this Agreement. Merchant understands that it is solely responsible for the full amount levied by a Card Association for any Card Fees listed on the Fee Schedule as "Pass-through" and that the Servicers will not be responsible for any portion of these amounts. The full amount of any such pass-through Card Fees incurred in any month will be set out on the Merchant monthly statement. Merchant shall be liable to pay for the full month's Card Fees and Other Fees even if the Services are terminated before the end of the month for any reason.
46. **Merchant Discount Rate.**
- The Merchant Discount Rate that we will apply to your Transactions will vary depending on whether the Transaction is a "qualifying" Transaction or a "non-qualifying" Transaction in accordance with the applicable Card Association Rules. A "qualifying" Transaction under the applicable Rules qualifies for the lowest applicable interchange rate set by the Card Association. A "non-qualifying" Transaction under the applicable Rules does not qualify for the lowest applicable interchange rate and is subject to a higher interchange rate, based on various criteria regarding the type of Transaction, as determined by the applicable Card Association and set out in the Rules.
 - We will apply the Qualified Merchant Discount Rate (as listed on the Fee Schedule) to your "qualifying" Transactions.
 - For your "non-qualifying" Transactions, we will apply the Qualified Merchant Discount Rate plus the Non-Qualified Adjustment (as listed on the Fee Schedule). You will also be charged an Interchange Differential which, for any given "non-qualified" Transaction, means the difference between (i) the interchange level at which such Transaction was actually processed by the relevant Card Association, and (ii) the lowest applicable interchange rate set by that Card Association.
 - The combined total of your Card Fees, including the Merchant Discount Rate and any Interchange Differential that applied to your Transactions in any month will appear on the Merchant monthly statement.
47. **Fee Changes.**
- The Fees for Services are based upon assumptions about the Merchant's business, anticipated annual volume and average transaction size. These assumptions are based on information provided by the Merchant in the Application. If the actual volume or average transaction size are not as expected, or if you significantly alter your method of doing business, Servicers may adjust your Merchant Discount Rate and upon 90 days advance notice.
 - Servicers may increase and/or implement new Fees for Services for any other reason by notifying you 90 days prior to the effective date of any such change.
 - The Servicers will also provide you with a minimum of 90 days advance notice of any increase or decrease in any applicable interchange rate, assessments or other fees charged by a Card Association, or to pass through increases charged by third parties for on-line communications and similar items.
 - Following receipt of a notice from Servicers regarding a new or increased Fee, Merchant will have the right to terminate this Agreement without penalty within 90 days of receiving such notice.
 - Following receipt of a notice from Servicers regarding a decrease in any applicable interchange rate, if Servicers do not pass-through the full savings from any such decrease to the Merchant, Merchant will have the right to terminate this Agreement without penalty by providing Servicers notice within 90 days of the effective date of the decrease in interchange rate.

- f. Any notice provided under this Section will be sent to Merchant's email or business address on record, in accordance with the "Notices" Section below, and will also be posted to psigate.com.
- g. If Merchant does not exercise a termination right following receipt of notice of a new or increased Fee or a decrease in an applicable interchange rate, all such adjustments shall be Merchant's responsibility to pay.
- h. The Merchant's termination rights in this Section 47 do not apply to any Fee increase that is made in accordance with a pre-determined fee schedule provided to Merchant.

48. Amendments Other Than Fee Changes. The Servicers reserve the right to amend any term of this Agreement, and any aspect of the Services, other than the Fees, upon 30 days advance notice to Merchant. A notice of change as provided in this Section shall be considered to have been given upon electronic posting on PSiGate's network at psigate.com for a period of seven consecutive days. Any such amendments shall take effect on the effective date stated in the notice. Merchant is responsible for checking PSiGate's network regularly for any such notifications.

49. Data Security.

- a. Merchant shall ensure that all Cardholder Data is processed and maintained in compliance with this Agreement, PCI DSS procedures and regulations, any other requirements mandated by a Card Association and any applicable law ("**Security Standards**"). Merchant shall report any non-compliance immediately to Servicers. The Card Associations may impose different compliance requirements on different types and levels of Merchants. The Card Associations may impose restrictions, fines, or prohibit Merchant from participating in Card Association programs if it is determined Merchant is non-compliant with such requirements. Merchant understands that it must be in compliance with data security regulations for its type or level of Merchant as defined by the Card Associations' security procedures as well as complying with general Security Standards. The Servicers will use commercially reasonable efforts to provide Merchant with amended operating procedures outlining the various Card Association requirements with regard to data security, but failure to do so shall in no way diminish the obligation of the Merchant to comply with such requirements, nor shall it be a breach of this Agreement.
- b. Upon the reasonable request of Servicers, Merchant shall provide Servicers with any information the Servicers request for the purpose of verifying that you and/or your third party service providers are complying with all Security Standards. The Servicers may in their sole and absolute discretion, suspend or terminate the Services for any actual or anticipated data security compromise or non-compliance with Security Standards. You will be responsible for any fees, fines or assessments levied by the Card Associations for failing to meet the Security Standards.
- c. Merchant shall immediately notify Servicers of its knowledge or suspicion of any breach in security resulting in unauthorized access to Cardholder Data. Merchant shall provide any assistance that Servicers, the issuing bank of any Cardholder, their regulators and the Card Associations deem necessary to contain and control the incident and to prevent further unauthorized access to or use of Cardholder Data. Such assistance may include, but not be limited to, preserving records and other evidence, compiling information to enable Servicers and the issuing bank, regulators or the Card Associations to investigate the incident and providing assistance and cooperation to facilitate the ability of the issuing bank to: (a) file suspicious activity reports (as applicable); (b) notify their regulators (as applicable); and (c) notify the affected Cardholder (as required). Unless the unauthorized access was due to Servicers' acts or omissions, Merchant shall bear all costs associated therewith, including but not limited to the cost of notifying the affected Cardholder(s).
- d. Despite anything else in this Agreement, Merchant agrees to indemnify and hold Servicers harmless from and against all losses, liabilities, damages and expenses (including lawyers' fees and collection costs) brought by a third party resulting from Merchant's failure to comply with the Security Standards.

Merchant obligations pertaining to Security Standards and Cardholder Data contained in this Agreement, including, without limitation the

obligations set forth in this Section 49, shall survive indefinitely beyond termination of the Merchant Agreement.

50. Protection of Cardholder Data.

- a. The parties acknowledge that the Cardholder Data or certain other information collected, used and disclosed pursuant to this Agreement may constitute personal information pursuant to Privacy Laws and may be regulated by Privacy Laws and other applicable law. The parties agree that any such information will be collected, used and disclosed in accordance with this Agreement and applicable law, including Privacy Laws, and with the privacy codes of the Servicers, and will only be used and disclosed in connection with the Services provided hereunder. Peoples Trust's Privacy Code is available at www.peopletrust.com/en/legal/privacy-security/ and PSiGate's Privacy Code is available at psigate.com/privacy/.
- b. Merchant may not retain or store magnetic stripe data after a Transaction has been authorized. If Merchant stores any electronically captured signatures of a Cardholder, Merchant may not reproduce such signature except upon the specific request of the Services. Merchant shall store all media containing Cardholder Data, including Transaction Records, in an area limited to selected personnel, and, prior to discarding any such media destroy the media in a manner that renders the data unreadable and unrecoverable.

51. Confidential Information. Each party acknowledges and agrees that in entering into and carrying out the terms of this Agreement, the parties may become aware of the confidential and proprietary information of the other parties, including but not limited to, the terms of this Agreement, the Application, the User Documentation, financial information and other information related to each party's business operations ("**Confidential Information**"). Each party agrees that it will maintain the confidentiality of such Confidential Information, will not use Confidential Information of the other party other than in the performance hereof, and no party shall disclose any such Confidential Information to any other person or entity (other than to those of its employees, agents, contractors and affiliates to whom disclosure is reasonably necessary in furtherance of the performance of this Agreement and who are bound by confidentiality and non-disclosure obligations consistent with the terms of this Agreement). The obligation not to disclose Confidential Information shall not apply to any information which:

- a. at the time of disclosure is already in the possession of the receiving party without breach of any obligation of confidentiality;
- b. is independently developed by the receiving party without reliance on the disclosed Confidential Information;
- c. is or becomes publicly available through no wrongdoing of the receiving party; or
- d. becomes available to receiving party on a non-confidential basis from a person, other than the disclosing party, who is not bound by a confidentiality obligation or otherwise restricted from transmitting the information to the receiving party.

Furthermore, this Section shall not prohibit the receiving party from making legally required disclosures pursuant to subpoena, court order or the order of any other authority having jurisdiction; provided that receiving party shall provide disclosing party with prompt notice, unless prohibited by law or court order, thereof so that disclosing party may see an appropriate protective order or other remedy. If in the absence of a protective order or other remedy or waiver of the terms of this Section, the receiving party determines in its sole discretion that it is required by law, regulation, legal process or regulatory authority to disclose any such Confidential Information, the receiving party may disclose such information upon written notice to disclosing party.

The terms set forth in this Section 51 shall survive termination of this Agreement.

52. Provision of Business Records. At all times during the term of this Agreement, upon a Servicer's request, Merchant shall provide all documentation evidencing Merchant's financial condition as well as other documentation determined necessary by a Servicer, acting reasonably, to verify the information contained in the Application. All financial statements of Merchant that are provided under this Section shall be prepared in accordance with generally accepted accounting principles. Merchant agrees to provide such documentation

within 30 days of the request. In the event Merchant fails to provide the requested documentation, the Servicer who requested the documentation shall be entitled to terminate this Agreement in accordance with Article F.

53. **Audit.** During the term of this Agreement and for two years following termination of this Agreement, Servicers shall have the right to examine Merchant's records, books, systems, controls, processes and procedures for the purpose of verifying Merchant's compliance with the terms and conditions of this Agreement, User Documentation and the Rules. Merchant shall provide to the auditors and personnel of Servicers reasonable access to records and shall cooperate and provide to such auditors, in a timely manner, all such assistance as they may reasonably require in connection with any such audit. Except in the event that Servicers have a reasonable basis to believe that Merchant is in violation of this Agreement, the User Documentation or any Rules, Servicers will provide Merchant at least five days' written notice prior to the date of an audit, the audit will be conducted during Merchant's normal business hours, and audits shall occur no more than twice in any calendar year. The provisions in this Section 53 shall survive termination of this Agreement.

54. **Indemnification, Limitation of Liability.**

a. You agree to indemnify and hold Servicers and their respective officers, directors, members, shareholders, partners, employees, agents, affiliates, subcontractors and representatives harmless from and against any losses, actions, causes of action, claims, demands, costs, liabilities, expenses, damages, sanctions, fines or penalties (including legal fees on a solicitor and client basis) claimed by a third party arising from: (i) any breach of any representation, warranty or covenant or any misrepresentation by you under this Agreement; (ii) you or your employees' or agents' failure to comply with the terms of this Agreement or any requirements of which you are advised from time to time including the Rules and any other requirements of any Card Association or Card issuer; (iii) you or your employees' or agents' fraud, negligence or willful misconduct in connection with Transactions or otherwise arising from your provision of goods and services to Cardholders; (iv) Transactions or the settlement of funds from Transactions or your use of our Services; (v) any third party indemnifications we are obligated to make as a result of your actions (including indemnification of any Card Association or Card issuer); or (vi) any fine imposed by any Card Association on account of any of your acts or omissions. Your indemnification obligations shall include an obligation to assume all legal, audit and investigation fees incurred by the Servicers in relation to this Agreement on account of your acts or omissions or those of your affiliates; or (vii) a breach of the security of any system safeguarding Cardholder Data that results in unauthorized access to Cardholder Data.

b. PEOPLES TRUST AND PSIGATE'S CUMULATIVE LIABILITY FOR ALL LOSSES, CLAIMS, SUITS CONTROVERSIES, BREACHES OR DAMAGES FOR ANY CAUSE WHATSOEVER (INCLUDING BUT NOT LIMITED TO, THOSE ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE APPLICATION AND THE USER DOCUMENTATION) AND REGARDLESS OF THE FORM OF ACTION OR LEGAL THEORY SHALL NOT EXCEED THE LESSER OF (I) \$1,000; OR (II) THE AMOUNT OF FEES RECEIVED BY US PURSUANT TO THIS AGREEMENT FOR SERVICES PERFORMED IN THE PRECEDING 12 MONTHS, WHICHEVER IS LESS. UNDER NO CIRCUMSTANCES SHALL SERVICERS BE LIABLE TO MERCHANT, ANY GUARANTOR OR ANY THIRD PARTY FOR ANY LIQUIDATED, INDIRECT, CONSEQUENTIAL, SPECIAL, SPECULATIVE, LOST PROFITS, EXEMPLARY OR INCIDENTAL DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, AND THE LIKE) ARISING OUT OF THIS AGREEMENT EVEN IF THE PARTY AT FAULT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. MERCHANT WAIVES ALL CLAIMS AGAINST SERVICERS FOR ANY LOSS, CLAIM, DEMAND, PENALTY, ACTION, DELAY, COST OR EXPENSE (INCLUDING LEGAL FEES) OF ANY KIND UNLESS MERCHANT PROVIDES WRITTEN NOTICE TO SERVICERS OF THE OCCURRENCE THAT GAVE RISE TO THE ALLEGED LIABILITY WITHIN THIRTY (30) DAYS AFTER MERCHANT KNEW OR SHOULD HAVE KNOWN OF THE OCCURRENCE.

c. Subject to the limitation of liability set out above, we agree to indemnify and hold you harmless from and against all losses, liabilities, damages and expenses claimed by a third party resulting from our or our employees' gross negligence or willful misconduct in connection with this Agreement.

d. Despite any other term of this Agreement, the Servicers' liability for any delay in transferring settlement funds to you for any reason will be limited to interest computed from the date that you should have received such funds pursuant to this Agreement.

55. **Disclaimer.** THE SERVICES PROVIDED HEREUNDER ARE PROVIDED "AS IS" AND "AS AVAILABLE" BASIS WITH ALL FAULTS AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY, AND EFFORT IS WITH MERCHANT. SUBJECT TO APPLICABLE LAW, THIS DISCLAIMER OF WARRANTY EXTENDS TO MERCHANT AND ALL USERS OF MERCHANT'S GOODS AND SERVICES AND IS IN LIEU OF ALL WARRANTIES AND CONDITIONS WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE, TITLE, AND NONINFRINGEMENT WITH RESPECT TO THE PRODUCTS AND SERVICES, AS WELL AS ANY WARRANTIES THAT THE SERVICES OR THAT THE OPERATION OF THE SERVICES WILL BE INTERRUPTION OR ERROR FREE, AND ANY IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE. Sections 54 and 55 shall survive termination of this Agreement.

Article F – Term and Termination

56. This Agreement shall take effect on the Effective Date and shall have an initial term of three years (the "Initial Term"). Unless otherwise terminated by any party in accordance with the terms of this Agreement, the Agreement will automatically renew for successive six-month terms (each, a "Renewal Term").

57. If Merchant wishes to terminate this Agreement at the end of the Initial Term or Renewal Term, it may provide notice of non-renewal to the Servicers at any point during the Term, up to 90 days prior to the expiry of the Term.

58. Servicers may terminate this Agreement at any time and for any reason, during the Initial Term or any Renewal Term.

59. Servicers may terminate this Agreement immediately and without notice in the event that:

- a. Merchant commits a material breach of this Agreement, the User Documentation or the Rules which remains uncured 30 days after Merchant has been notified of the breach in writing by a Servicer, except that no cure period will be permitted for termination based on Merchant fraud or failure to fund the Reserve Account;
- b. Merchant revokes its consent to debit the Settlement Account under the PAD Agreement;
- c. Merchant files a petition in bankruptcy, files a petition seeking any reorganization, arrangement, composition or similar relief under any law regarding insolvency or relief for debtors, or makes an assignment for the benefit of creditors;
- d. a receiver, trustee or similar officer is appointed for the business or property of Merchant;
- e. any involuntary petition or proceeding under bankruptcy or insolvency laws is instituted against Merchant and is not stayed, enjoined or discharged within 60 days;
- f. Merchant adopts a resolution for discontinuance of its business or for its dissolution; or
- g. Servicers determine that Merchant has created or is likely to create any harm or loss of goodwill to Servicers or the Card Associations.

60. Servicers reserve the right to terminate any Merchant account on which no activity has occurred for a period of at least 6 months. Servicers reserve the right to remove and destroy any data stored in any Merchant directory upon termination of Merchant account.

61. In the event that PSiGate reasonably believes that a Threatening Condition exists, PSiGate will provide Merchant with notice of the Threatening Condition, upon receipt of which Merchant agrees to exercise its best efforts to cure the Threatening Condition. If in PSiGate's

sole discretion, the Threatening Condition poses an imminent or actual threat to the Software, Merchant agrees to suspend any and all activity on its account until such threat is cured. Notwithstanding the foregoing, Servicers may thereafter deactivate Merchant's account without notice until the threat is cured if Merchant does not itself suspend activity.

62. When this Agreement ends:

- a. Merchant is still responsible for paying any amounts owed to the Servicers under this Agreement;
- b. the terms of this Agreement will remain in effect for any Transactions submitted to the Servicers before the termination date;
- c. without limiting the generality of the previous paragraph, PSiGate's right to debit the Settlement Account and Service Account will survive termination until such time as all credits and debits permitted by this Agreement and the PAD Agreement and related to Transactions submitted to the Servicers before the termination date have been made;
- d. your rights to accept Transactions and submit Transactions for processing, your license to use the Software and your right to use any trademarks, all as outlined in this Agreement, will be terminated; and
- e. Servicers may withhold and discontinue the disbursement for all Transactions in the process of being collected and deposited and Servicers may, without notice to Merchant, refuse to accept or revoke acceptance any Transaction Record or credit voucher or the electronic transmission thereof, if applicable, received by Servicers Trust on or any time after the occurrence of any event of default; and
- f. If applicable, Merchant must return any POS Material in its possession to PSiGate.

63. Within 15 business days of the date of termination of this Agreement, the Servicers will pay you all settlement funds owing to you under this Agreement less a holdback equal to any outstanding, potential or anticipated Chargebacks and Fees and other amounts which may be or become payable pursuant to the terms and conditions of this Agreement after its termination. The holdback will be used to settle any outstanding Chargebacks and Fees and any other adjustments received in the 180 days after termination and the unused portion of the holdback will be paid to you no later than 190 days after termination. If the holdback is insufficient to cover all Chargebacks, Fees and other adjustments received in the 180 days after termination, you agree to pay any deficiency to the Services promptly on demand.

All obligations of Merchant for Transactions prior to and after termination (including payment for Chargebacks and Servicers' expenses relating to Chargebacks) and all rights and obligations set forth in Sections 62 and 63 shall survive termination.

Article G – Reserve Account

64. At any time and for any reason (including, without limitation, notice of termination or actual termination of this Agreement, change in transaction volume, change in business model, unauthorized Transactions, cessation of business, insolvency, excessive Chargebacks, suspected or actual fraud, or competing claims regarding funds generated via Merchant's processing activities), the Servicers may require Merchant to transfer funds to Servicers to be held in a non-interest bearing account maintained at Peoples Trust (the "**Reserve Account**") to serve as collateral to protect Servicers against actual or contingent liabilities or losses that might be incurred by Servicers in the event Merchant is unable or fails to pay Chargebacks, Fees, adjustments and other charges and obligations due or anticipated to become due to Servicers hereunder.

65. The initial amount to be held in the Reserve Account and any subsequent increases in funding will be set by Servicers, in their sole discretion. The Reserve Account must be fully funded by Merchant upon five business days' notice to Merchant, or immediately in the following instances:

- a. suspected or actual fraud,
- b. suspected or actual breach of this Agreement by Merchant,
- c. notice of termination or actual termination,
- d. unauthorized Transactions, or
- e. cessation of business, or suspension of the Services under this Agreement.

66. Servicers may, without notice, fund the Reserve Account (whether initially or due to increased funding requirements) with deductions from settlement funds due to Merchant or by a charge against the Settlement

Account or any other available account of Merchant. Servicers will hold or be entitled to hold the funds in the Reserve Account until such time as Servicers are satisfied that Merchant has no further obligations to Servicers under this Agreement. Merchant's failure to fund the Reserve Account (whether initially or due to increased funding requirements) will result in immediate termination of this Agreement.

67. To secure Merchant's obligations to Servicers under this Agreement and any other agreement for the provision of related equipment or related services (the "**Obligations**"), Servicers reserve the right to require that the Merchant grant to Servicers a first priority lien and security interest in and to and pledges (or hypothecates with delivery) any of Merchant's funds credited to the Settlement Account or Reserve Account or otherwise pertaining to the Transactions contemplated by this Agreement now or hereafter in the possession of Servicers, whether now or hereafter due or to become due to Merchant from Servicers (the "**Pledged Funds**"). For the purposes of the laws of Quebec, Merchant expressly consents to the Pledged Funds securing the Obligations and acknowledges that Servicers have obtained control of the Pledged Funds. Any such funds, money or amounts may be commingled with other funds of Servicers, or, in the case of any funds held pursuant to the foregoing paragraphs, with any other funds of other customers of Servicers. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, Servicers are hereby authorized by Merchant at any time and from time to time, without notice or demand to Merchant or to any other person (any such notice and demand being hereby expressly waived), to set off, recoup and to appropriate and to apply any and all such funds against and on account of Merchant's obligations to Servicers under this Agreement and any other agreement with Servicers for any related equipment or related services, whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured.

68. If Servicers require Merchant to grant a security interest pursuant to Section 67, Merchant agrees to duly execute and deliver to Servicers such instruments and documents as Servicers may reasonably request to perfect and confirm the lien, security interest, right of set off, recoupment and subordination set forth in this Agreement. Upon request by Merchant, Servicers shall provide an accounting in reasonable detail of all amounts set off or recouped pursuant to this Section and the Obligations toward which such amounts were appropriated or applied.

The provisions in this Article G survive termination of this Agreement until Servicers, in their discretion, terminate the Reserve Account.

75. **Invalidity of Provisions.** Each of the provisions in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision by a court of competent jurisdiction in the Province of Ontario will not affect the validity or enforceability of any other provision hereof.
76. **Severability.** If any provision of this Agreement shall be held illegal or unenforceable, that provision shall be limited to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable.
77. **No Waiver.** The waiver by any party of a breach of any provision contained in this Agreement shall be in writing and shall in no way be construed as a waiver of any subsequent breach of such provision or the waiver of the provision itself.
78. **Entire Agreement.** This Agreement including Attachments, the Application, the Fee Schedule and the User Documentation make up the entire agreement between the parties and replace all previous agreements, arrangements and understandings between the Merchant, Peoples Trust and/or PSiGate concerning its subject matter. Each party agrees that no other party has made any representations, warranties or agreements of any kind, except as expressly set forth in this Agreement.
79. **Headings.** The headings in this Agreement are intended for convenience of reference and shall not affect the interpretation of the Agreement.
80. **Force Majeure.** The Servicers shall not be responsible for any failure to perform their obligations under this Agreement if such failure is caused by acts of God, war, strikes, revolutions, lack or failure of transportation facilities, laws or governmental regulations or other causes that are beyond the reasonable control of the Acquirer.

ATTACHMENT 2**ADDITIONAL TERMS APPLICABLE TO CARD NOT PRESENT TRANSACTIONS**

If Merchant accepts Card Not Present Transactions, the following provisions shall be applicable:

- a. The Transaction Record in respect of any Card Not Present Transaction shall be completed without the Cardholder’s signature but shall include the Cardholder’s name, billing address, Card number, expiration date of the Card, a description of the merchandise or service and the date and amount of all charges.
- b. Merchant shall process Card Not Present Transactions only (a) if such Transactions have been encrypted by Servicers or by a Third Party Gateway Services Provider approved by Servicers and (b) Cardholder Data is protected by Merchant as required by the applicable Card Association Rules, PCI DSS, or any other applicable regulations. Encryption is not guarantee of payment to Merchant.
- c. Merchant acknowledges that Card Not Present Transactions may be authorized and settled through separate BIN/ICA numbers and interchanges than Card Present Transactions and that Servicers may be unable to combine deposits of Card Not Present Transactions and Card Present Transactions.
- d. Card Not Present Transactions are subjected to a higher incidence of Chargebacks and receiving a transaction authorization and following procedures will not relieve Merchant of liability associated with Chargebacks and/or the fraudulent use of Cardholder Data obtained from Merchant’s website.
- e. All communications costs related to Card Not Present Transactions are Merchant’s responsibility. Obtaining any license or sub-license of software required to permit Merchant to process Card Not Present Transactions other than the Gateway Services (if Merchant has requested such Services from PSiGate) shall be Merchant’s responsibility.
- f. Servicers do not guarantee that obtaining required approvals from Servicers or implementing suggested security measures will cause Merchant’s Card Not Present Transactions to be secure, and Servicers will not be responsible in the event of the infiltration of Merchant’s or any Third Party Gateway Service Provider’s security systems.
- g. Merchant further acknowledges and agrees that, if Merchant is receiving gateway services from a Third Party Gateway Service Provider, then Servicers are not responsible for the security of Cardholder Data or other information stored on Merchant’s or any Third Party Gateway Service Provider’s computers, systems or website(s) and that Merchant will be solely responsible for any liability, fines, or penalties arising from its use, storage, or dissemination of Cardholder Data.
